

HOW TO GET STARTED: WINGNET TRAINING

INTRODUCTION

Welcome to the team! Your training will start with you being assigned a Wingnet account. The courses in the following sections should be completed before in-restaurant training begins:

- Orientation
- Wingstop Basics
- Restaurant Basics
- Food Safety
- Back of house team members- BOH training
- Front of house team members-Aloha POS training

Do not move onto the Station Certification until all in-restaurant training has been completed and you have been instructed to do so by your Manager.

OVERVIEW

Over the course of 6 days, utilizing a combination of Wingnet and on-the-job training by a WRI corporate trainer you will be prepared for working in your new Wingstop restaurant.
